Géométrie – Les angles

EXPERIENCES

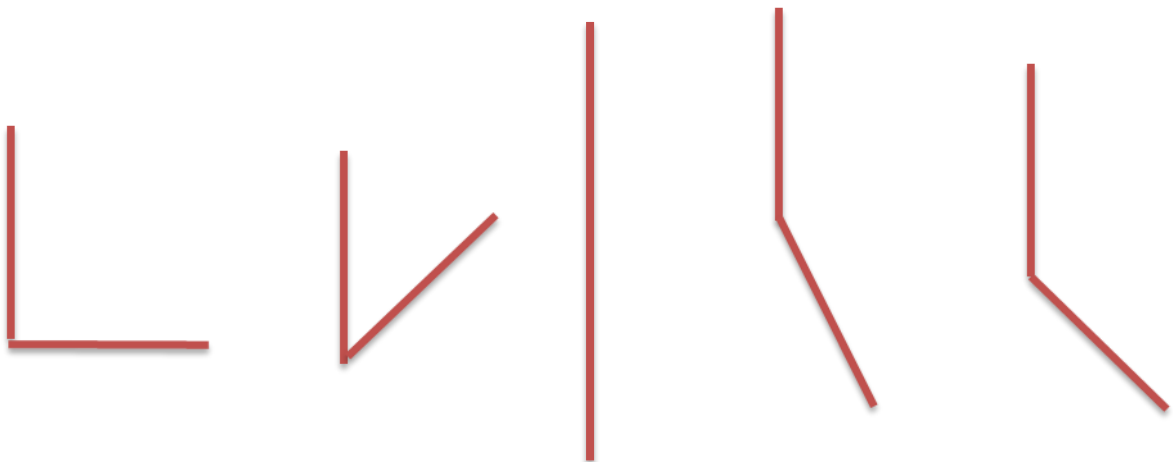

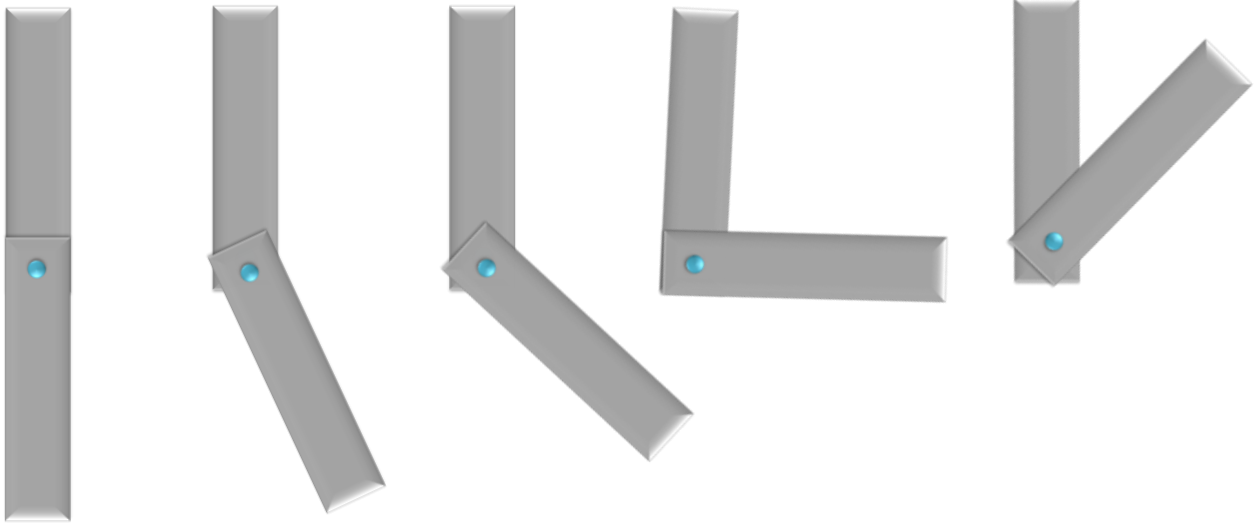

1

Eloigne le plus possible ton pouce des autres doigts .Avec ta main , tu as formé un angle .Tu peux aussi faire un angle plus ou moins ouvert avec ton coude .

2

Après avoir observé et manipulé ton Récréangle , relie chaque outil à son tracé .

Géométrie – Les angles

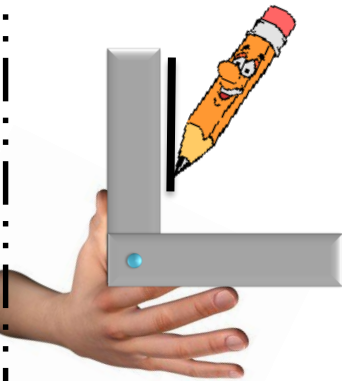

EXPERIENCES

Ce sont des **angles droits** .On note l'angle droit de cette façon .

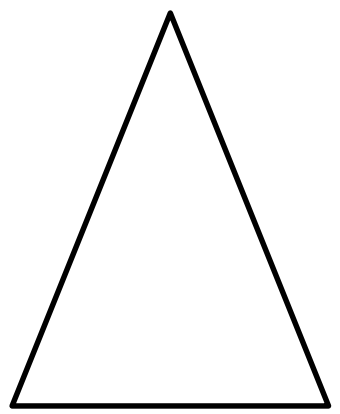

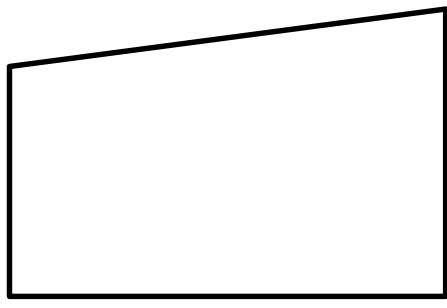

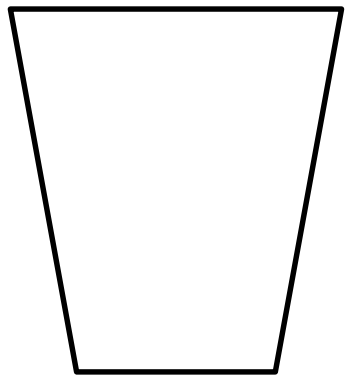

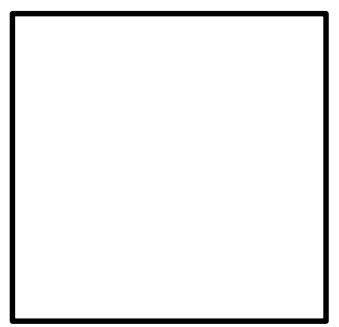

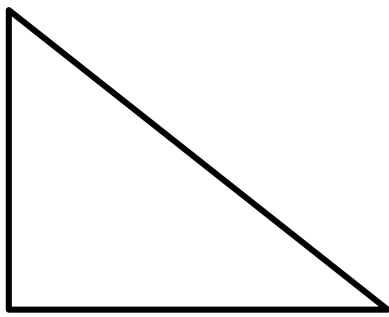

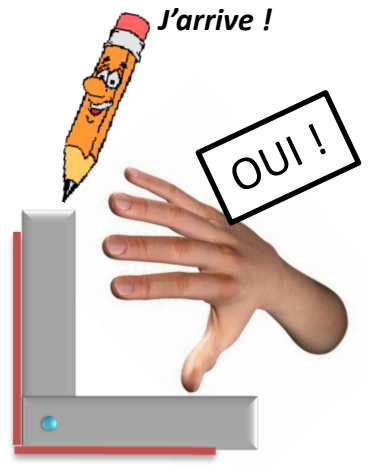

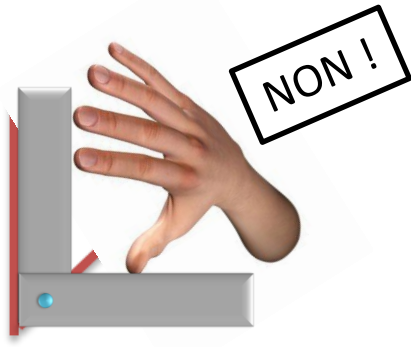

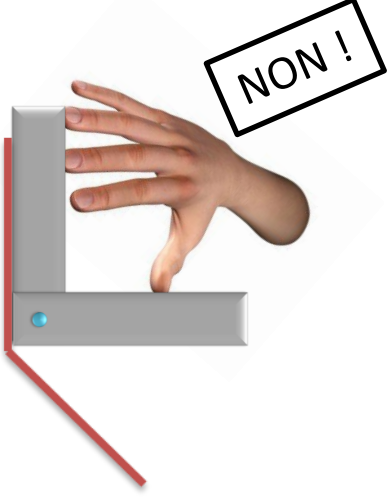

Trace des angles avec ton Récréangle .Quand c'est un angle droit note le .

Géométrie – Les angles

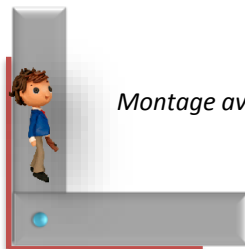

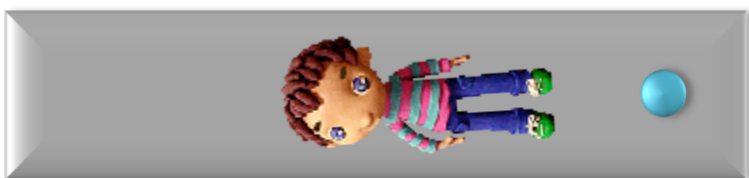

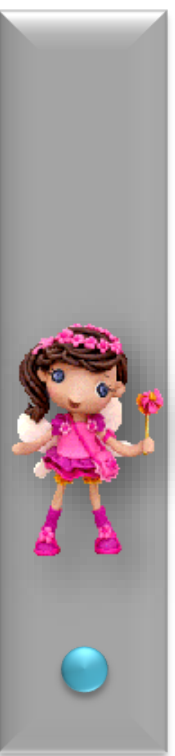

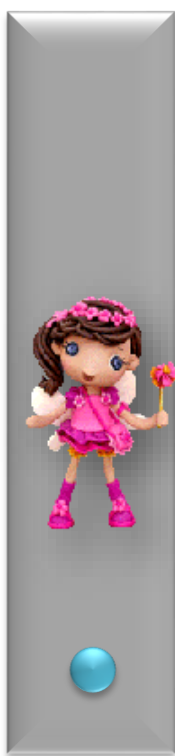

EXPERIENCES

Cherche et note les angles droits .

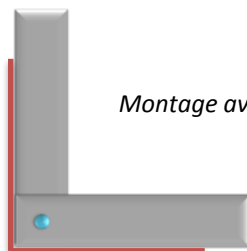

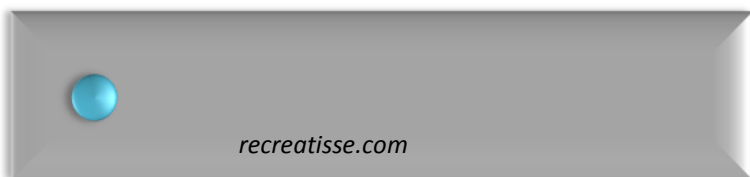

Maintenant tu vas utiliser l'équerre !
