

Priorités : SEPTEMBRE

A vertical list of ten blue circular markers on the left side of a light green rounded rectangle. Each marker is connected to a horizontal dashed line that extends across the page, providing a template for writing priorities.

Priorités : octobre

A large, light green rounded rectangular area on the left side of the page, serving as a background for the priority list. To its right, there are ten rows of horizontal dashed lines, each starting with a blue circular dot on the left edge. This layout is designed for writing down ten priorities for the month of October.

Priorités : novembre

A vertical list of ten blue circular markers on the left side of a light green rounded rectangle. Each marker is connected to a horizontal dashed line that extends across the page, providing a template for writing priorities.

Priorités : Décembre

A vertical list of 11 items, each represented by a blue circular marker on the left and a horizontal dashed line extending to the right. The items are arranged vertically down the page.

Priorités : Janvier

A vertical list of ten blue circular markers on the left side of a light green rounded rectangle. Each marker is connected to a horizontal dashed line that extends across the page, providing a template for writing priorities.

Priorités : Février

A vertical list of ten blue circular markers on the left side of a light green rounded rectangle. Each marker is connected to a horizontal dashed line that extends across the page, providing a template for writing priorities.

Priorités : Mars

A vertical list of 10 items, each represented by a blue circular marker on the left and a horizontal dashed line extending to the right. The items are currently blank, providing space for writing.

Priorités : Avril

A vertical list of 11 items, each represented by a blue circular marker on the left and a horizontal dashed line extending to the right. The items are currently blank, providing space for writing priorities for the month of April.

Priorités : Mai

A vertical list of ten items, each represented by a blue circular marker on the left and a horizontal dashed line extending to the right. The items are currently blank, providing space for writing.

Priorités : Juin

A vertical list of ten blue circular markers on the left side of a light green rounded rectangle. Each marker is connected to a horizontal dashed line that extends across the page, providing a template for writing priorities.

Priorités : Juillet

A vertical list of 11 items, each represented by a blue circular marker on the left and a horizontal dashed line extending to the right. The items are currently blank, providing space for writing priorities.

Priorités : Août

A vertical list of ten items, each represented by a blue circular marker on the left and a horizontal dashed line extending to the right. The items are currently blank, providing space for writing priorities for the month of August.
